

LUCCA 40 NARROW WHITE WITH COWL 2024 ULL4TNG012

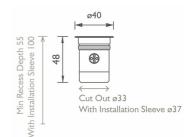

LUMINAIRE REF:

PROJECT REF:

The new Lucca 40 is an energy efficient LED midi uplight with a glare cowl incorporating new ProVent technology which minimises condensation and improves robustness. Built for the circular economy, the LED engine is now fully serviceable. It is ideal for creating stunning uplighting effects to columns, arches, window reveals and along walls. It comes with narrow, medium or wide beams to suit your projects. It is IP67 rated so ideal for use both inside and out. Fittings come with 1m of cable as standard. Custom cable lengths are available upon request. If using inside, the warranty increases to 5 years.
