

## VORSA FIX 50 SUPER SPOT WHITE 2024 SLVF5SS015

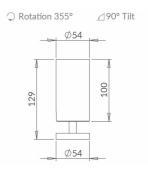

LUMINAIRE REF:

PROJECT REF:

WHITE RAL 9003

The new Vorsa Fix 50 spotlight is a surface-mounted directional spotlight. It has been re-engineered for 2024 with a cleaner aesthetic, an increased light output and an industry-leading light output at 98 CRI. Interchangeable optics allow for a range of beam distributions, all easy to fit on-site. We have introduced a new innovative screwless self-supporting tilt mechanism. It is perfect for use on beams and concrete ceilings where recessed fittings are unsuitable. This small spotlight is discreet and easy to direct the light where required. The fitting has a deep baffle which ensures that glare is minimised. The range has been built to the principles of the circular economy to not only maximise resources but also to reduce waste and environmental impact.

## ACCESSORIES

VORSA 50 HONEYCOMB INSERT Ø48MM X 3MM ACHCVO502 VORSA 50 SAND BLASTED GLASS INSERT Ø48MM X 3MM ACSGVO502 VORSA 50 HIGH TRANSMISSION SOFTENING GLASS INSERT Ø48MM X 3MM ACSLVO502
