The Kew 25 Surface is a miniature surface mounted IP66 spotlight, ideal for pinpointing landscape ornaments from above or wall grazing for use both inside and out. Our unique, patented wall mounting system allows for quick, tool-free installation on site. The luminaire mounts onto the wall bracket and is self-locking at 15° intervals, preventing the need for further fixing. A discreet, optional tamper proofing feature is available if required for commercial projects. The Kew Surface is IP66 Rated - see FAQs for more details on IP Values.
