

LUCCA 30 DOWNLIGHT MEDIUM BRASS 2024

SLL3TM042.

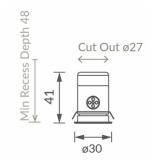

LUMINAIRE REF:

PROJECT REF:

The new Lucca 30 is an energy efficient LED miniature downlight incorporating new ProVent technology which minimises condensation and improves robustness. Built for the circular economy, the LED engine is now fully serviceable. It is ideal for creating stunning skimming light on a shelf. It comes with narrow, medium or wide beams to suit your projects with or without a glare cowl. It is IP67 rated so ideal for use both inside and out. Fittings come with 1m of cable as standard. Custom cable lengths are available upon request. If using inside, the warranty increases to 5 years.
